Theme:

The Face of Homelessness and/or The City of Long Beach

Event Details:

In its fifth year, the Art Show & Auction is inviting community members to submit art for the first time. The Art Show is first and foremost a fundraiser benefitting Precious Lamb Preschool, a free private preschool for children facing homelessness in Long Beach. All donated art will be for sale and proceeds benefit the school. Artists and their art will be featured throughout event promotion.

We are seeking art and photography from local artists that highlight the City of Long Beach and/or a dignified representation of our homeless community (please note that no grotesque or insensitive images will be shown. This is a fundraiser for a preschool).

Eligibility:

Any local artist (of the greater Long Beach community) who holds compassion and sensitivity for homelessness and our community.

Entry Fees:

There are no entry fees for art submissions but please note artist is solely responsible for any printing or particular display costs. Otherwise all art will be displayed in 2" black bordered frame.

Payments:

All submitted art and photography is entirely beneficial to Precious Lamb Preschool, a 501(c)3 tax-deductible organization. 100% of all sold pieces will benefit the charity and donating artists will not receive any goods or payments for their donated art work.

Artists whose pieces do sell* will receive a tax-deductible receipt for their donation, and unsold art will be returned to artists.

* Please note all art will be sold for \$100 or less
