APPLICATION REVIEW PROCESS

HOW FUNDS ARE DETERMINED

- Arts Council for Long Beach staff will review all applications for eligibility and completeness. If an application is late, incomplete, faxed, emailed or otherwise deemed ineligible, Arts Council staff will notify the applicant.
- Independent grant review panels are assembled each year and facilitated by Arts Council for Long Beach staff. Panels are comprised of regional arts professionals, community members and representatives from the Arts Council for Long Beach Board of Directors.
- Review panels convene to review applications, artistic documentation, support materials and to score and rank applications according to the funding criteria. Scores are merit-based and award levels are determined by scores, the amount of available funds and the number of qualified applicants.
- Funding recommendations are forwarded to the Arts Council's Allocations Committee. The Allocations Committee reviews scores and rankings and then brings the recommendations to the Arts Council for Long Beach Board of Directors who then ratifies the funding levels. All grants must be approved by the Arts Council for Long Beach Board of Directors.
- If any and/or all of the recommended awards require adjustments due to changes in City funding, the Arts Council for Long Beach Executive Committee will make award adjustments following adoption of the City of Long Beach budget.
- There is limited funding available for distribution. Many worthy programs, organizations and artists cannot be funded. The receipt of past funding, organizational fiscal need or the merit of an applicant is not a guarantee of funding. City of Long Beach funding supporting the 2018–2019 Grant Programs is not confirmed until the adoption of the City of Long Beach budget.
